

You raise me up

When I am down, and, oh, my soul so weary

When troubles come and my heart burdened be

When I am still and wait here in the silence

Until you come and sit a while with me

You raise me up so I can stand on mountains

You raise me up to walk on stormy seas

I am strong when I am on your shoulders

You raise me up to more than I can be

Solo

Ou...

Ou...

Ah...

Ou...

You raise me up so I can stand on mountains

You raise me up to walk on stormy seas

I am strong when I am on your shoulders

You raise me up to more than I can be

You raise me up so I can stand on mountains

You raise me up to walk on stormy seas

I am strong when I am on your shoulders

You raise me up to more than I can be

You raise me up so I can stand on mountains

You raise me up to walk on stormy seas

I am strong when I am on your shoulders

You raise me up to more than I can be

You raise me up (you raise me up) to more than I can be
